

CELEBRATE YOM YERUSHALYIM AT THE JCC OF FORT LEE

Thursday evening, June 2, 6:45pm

To mark Israel's capture of the Old City of Jerusalem in 1967, please join us for a screening of a very special film.

This coming-of-age story follows the journey of five Israeli high school graduates who are drafted into the army to defend their country. At the age of 18, away from their homes, families and friends, these young individuals undergo a demanding, inspiring journey, revealing the core of who they are and who they want to be. One of these five is **Mekonen**, whose touching profile was featured in the synagogue for Yom HaAtz'ma'ut.

From the creators of the *Mekonen*, and the PBS-featured documentary film *Israel Inside: How a Small Nation Makes a Big Difference*, *Beneath the Helmet* illustrates how these young men and women are defending not only their homes, but also the values of peace, equality, opportunity, democracy, religious tolerance and women's rights. The lessons they learn along the way are lessons that can be appreciated, understood and internalized by all.
