**Refreshments at 12:30 pm followed by speaker at 1:00 pm**

## LECTURE 1: WEDNESDAY,

**AUGUST 16TH**

An overview of the history of the American Health System and its major accomplishments into the 20<sup>th</sup> century. Followed by a review of the public health system in New Jersey.

## LECTURE 2: THURSDAY,

**AUGUST 24TH**

**Medicare** A presentation on the Medicare system comparing its current status with recommendations for its modification. Then an overview of the present American health care system.

## LECTURE 3: WEDNESDAY,

**AUGUST 30TH**

A review of the Affordable Care Act ("Obama Care") and the current proposals to "repeal and replace" or just revise.

**Bob Schermer** is a professional planner and researcher of health services and has practiced in his field for over 40 years. He has assisted the planning of new and existing hospitals, provided planning assistance to physicians, nursing homes, assisted living facilities and rehabilitation institutions. He has headed public health research organizations based in NJ and produced comprehensive health plans for Morris County, Passaic County, Essex County, and the City of Paterson.

**Dr. Eli Kirshner** is a medical oncologist at Valley Hospital. He is a Clinical Assistant Professor of the Department of Medicine at the Icahn School of Medicine at Mount Sinai in NY.

**Peter Correale** has been in the field of public health for over 40 years and is currently the Director of Health and Social Services of Pequannock Township in Morris County. He has held several leadership positions including Presidency for the Northwest Maternal and Child Health Consortium, Morris Regional Public Health Partnership, Morris County Health Officers Association, and NJ Association of County and City Health Officials.

**There is no charge for this lecture series.**

**All are welcome to attend, RSVP not required.**
