

On the Road with the Rabbi

This month, the excursion is coming to us, at Gesher Shalom!

Our *Sofer*, Rabbi Jay Greenspan**

will be repairing one of our Sifrei Torah, on site on June 8th

This could be Rabbi Greenspan, but he is not!

This is our Sofer Rabbi Jay Greenspan

At 10:00 a.m. he will make a formal presentation & answer your questions. We can watch him work...and he will give each of us an opportunity to ink a letter in the Torah he's working on.

And if you can't make at 10:00 a.m., Rabbi Jay will be around all day (until 5:00 p.m.). You are invited to come to the Shul, watch him work, and engage him in conversation.

Thursday, June 8th

Q & A at 10:00 a.m. Open House until 5:00 p.m.

RSVP to Rabbi Stern 201-947-1735 or email rabbi@geshershalom.org

**Rabbi Greenspan has repaired many of our scrolls including our Holocaust Torah and our Megillah.
